Fire-Dex  
Protection for the Heat of the Battle

- Colored throughout fiberglass compression molded shell.
- Available colors are black, red, yellow, white.
- Fiberglass shell has superior flame and heat resistance

- Thermal impact cap (insert) is a low density injection mold, 2 pieces that are inseparable
- Six way overhead suspension straps allowing for a more customized helmet "ride"
- Three piece headband with ratchet assembly for easy adjustments (6.5" – 9")

- Front headband height adjust to fit all SCBA facemasks
- Thermal impact cap (insert) is 66% cooler than helmets without an insert
- Stainless steel clip and d-ring hanger

- Large diameter pivot knobs allow for easy faceshield adjustments with gloved hands
- Nomex chinstrap with an easy one-hand release buckle and postman slide
- Carved, polished brass eagle shield holder
